

The logo is a large yellow gear with 24 teeth. Inside the gear, the word "ROTARY" is written in a white arc at the top, and "COPPELLO" is written in a white arc at the bottom. The gear is divided into 12 segments by four spokes that meet at a central hub. Each segment contains the name of a club member in blue capital letters, followed by their first name in a smaller blue font. The names are arranged in two columns of six.
